THE UNIVERSAL ONE

Hairdressers Chair Berlin

Description:

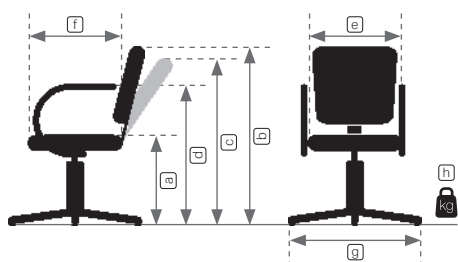

- // entry model in the quality segment
- /// ergonomically shaped upholstery components
- /// selectable armrests for every style
- /// fixed or tiltable backrest
- /// optional headrest
- /// can be combined with all chair bases

The entry model can do practically everything a hairdressers chair needs. With its high-quality upholstery, it offers your customer a comfortable seating experience. With its compact design, it is robust and lightweight at the same time. Frequent position changes during the day are easy.
